<p>At Friendly Grove Resort for Dogs our purpose is your pet's comfort. We offer an alternative to what is currently available, by giving pets the time and attention not normally found in traditional boarding facilities. We are located on 28 wooded acres and conveniently located in Olympia with easy access to I-5. We are family owned and operated with over 20 years experience. ♦ Our Hotel is here on our property and part of our home, we want for each of our guests to feel comfortable and we encourage your pet's personal items from home.</p> <p>We use products exclusively supplied by Cintas to conduct business in an environmentally sustainable manner. We refrain from using any pesticides on the property while striving to embrace eco friendly landscaping and business practices.</p> <p>All of our Pet Care Technicians ♦ are Pet First Aid & CPR certified. ♦ We also offer Pet First Aid & CPR classes to the community and for other pet care professionals. ♦ Please visit our Pet First Aid & CPR page for more information.</p> <p>We are proud members of the International Boarding Pet Services Association, an American Boarding Kennel Association Accredited Facility and USDA Class H licensed.</p> <p>
