With 9 boarding suites, walking trails and an indoor/outdoor playroom, you can be sure your pet will receive the individual attention they deserve.</p> <p>During our intake procedure we take the time to meet with the pet and their owner. Together we decide what kind of accommodations best suits your pet. Whether it's an active day in the playroom, a romp in the outdoor exercise area, or a private walk.</p> <p>Our canine guest accommodations include private indoor/outdoor suites with radiant heated floors, a vertical sliding door that gives them the freedom to move from their indoor room to their private outdoor enclosure. This gives the pet a sense of not being confined and the freewill to move in or out on their own. A choice of off the floor bedding is also provided, and of course daily maid service.</p> <p>Each Premium Guest receives at least 1 turn out into the private court yard each day and either group play time or individual play time in the afternoon. The indoor playroom is a bright music filled exercise area equipped with a variety of toys. Our outdoor exercise areas offer another opportunity for a change of scenery and activity. Our guests can use these individually or invite some friends to play.</p> <p>Your pet's personal items from home are always encouraged. Personal diets from home are also welcome or we can provide feed. Our kitchen is stocked with a microwave, refrigerator and freezer to accommodate special diets/requests.</p> <p>Oral, injectable or topical medications are given at no extra fee.</p> <p>We offer multiple pet discount pricing for dogs sharing a suite from the
